Signing up for a free tier account with AWS

Step 1: Open <https://portal.aws.amazon.com/billing/signup#/start> and fill basic details to create an account.

The screenshot shows the AWS Account Management Console. The top navigation bar includes the AWS logo, a menu icon, and links for Contact Sales, Products, Solutions, Pricing, and More. On the right, there are links for English, My Account, and a highlighted 'Create an AWS Account' button. The main content area is titled 'Account' and lists several management options: Billing & Cost Management Console, AWS Identity and Access Management, Consolidated Billing, DevPay Activity, and Manage Your Account. To the right, there are sections for Payment Method, Personal Information, Security Credentials, and Usage Reports. At the bottom, there are two promotional banners: 'GET STARTED WITH AWS' and 'AWS FREE TIER'.

Step 2: Fill up the required details and click on “Continue”.

The screenshot shows the 'Create an AWS account' form. The form is titled 'Create an AWS account' and includes the following fields: Email address, Password, Confirm password, and AWS account name. A 'Continue' button is located below the form fields. To the left of the form, there is a section titled 'AWS Accounts Include 12 Months of Free Tier Access' with a link to 'aws.amazon.com/free'. At the bottom of the form, there is a link to 'Sign in to an existing AWS account' and a copyright notice for Amazon Web Services, Inc. or its affiliates.

Step 3: Select the account type, complete the fields below with your contact details and click on “Create account and continue”

Contact Information

All fields are required.

Please select the account type and complete the fields below with your contact details.

Account type ⓘ

☐ Professional ☒ Personal

Full name

Archana

Phone number

Country/Region

India

* If you select India, your country/region selection cannot be changed after creating the account

Address

Street, P.O. Box, Company Name, c/o

Apartment, suite, unit, building, floor, etc.

City

Step 4: Enter your credit card details and click on “Create Account and Continue”

City

State / Province or region

Postal code

Amazon Internet Services Pvt. Ltd. Customer Agreement

Customers with an India contact address are now required to contract with Amazon Internet Service Private Ltd. (AISPL). AISPL is the local seller for AWS infrastructure services in India.
